MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM : Robert M. Gates

SUBJECT : Breakfast with Secretary Weinberger, 19 June 1981

The following subjects comprise the agenda for tomorrow's breakfast:

1. The Secretary will probably provide you with an update on negotiations between the U.S. Navy and the Soviet Navy on incidents at sea. (This has been one of the few genuinely successful bilateral agreements signed with the Soviets during the halcyon days of detente.)

2. The Secretary will want to discuss further with you your memorandum on leaks. A copy of your memorandum is at Tab A.

3. The Secretary may ask you your intentions with respect to the annual review of sensitive collection programs. The paper on this from DDO is at Tab B.

6. Frank Carlucci raised the question of DoD personnel security problems at the last breakfast. He followed this with a memorandum on this problem. A response prepared by the Intelligence Community Staff is at Tab E, and Koehler recommends that you raise it at the breakfast. Also attached is a memorandum from Harry Fitzwater on this subject.
